**Grand Lodge Educational  
Assistance Guidelines**

## GUIDELINES FOR APPLICANTS

### General:

- Grand Lodge Educational Assistance will be awarded to deserving Master Masons in good standing in their Lodge who need financial assistance to continue their education or pursue a new course of study. These may include (but are not limited to) academics such as an accredited college or university (completion of a Bachelor's or Master's degree), technical or vocational training leading to a certificate of completion.

### Selection:

- Selection will be based on the Master Mason's financial need, his academic standing, extracurricular activities and involvement within the Masonic community. Any other financial assistance received by the applicants will also be taken into consideration. The applicant will submit a letter to the MMEAP Committee indicating why assistance is needed and the intended goal or results (500 words or less).

### Awards:

- The Grand Lodge Board of Directors will determine the number and amount of Educational Assistance Grants in the year in which they will be awarded. All checks will be made payable to the individual Master Mason and can only be used for qualified tuition and related expenses. Applicants who may have a problem determining the initial cost will be handled on an individual basis.

### Area of Study:

- Most college majors or courses of study will be considered, however, extra weight will be given in the selection process to those courses of study and/or to technical or vocational training that enhance the individual's career development or career change due to shutdowns, layoffs or business closures.

### Application Criteria:

- Applicant must have been a Master Mason for a minimum of one (1) year.
- Applicant must be in good standing in his home Lodge.
- Applicant must be pursuing an approved/recognized course of study from an accredited educational institution.
- Applicant must provide receipts for all school-related expenses.
- Applicant must use funds for qualified tuition and related expenses.
- Applicant must provide to the Michigan Masonic Charitable Foundation, for each academic period, a report of courses taken and grades received, verified from the school annually.
- Applicant must comply with the Constitution and By-laws of the Grand Lodge of Michigan.

We wish you great success and look forward to helping you achieve a vocation through our Educational Assistance.

Sincerely,

Walt Wheeler
